

In the interests of completeness there are listed below the major problems of current concern to the Agency of which O/IC is aware but in which, for whatever reason, O/IC has not been participating.

25X1A

2. Functional and working relationships involved in USCIB matters.
3. *Defense* Definite Department logistical support for O/SO and O/PC.
4. Access by the Agency to JCS operational telegrams and arrangements to take account of US and combined strength and war plans as they affect estimates.
5. Coordination of counter-espionage activities including relationships between O/SO and FBI.
6. Coordination of intelligence activities overseas. (e.g., in  the problems which may confront the Senior Representatives.

25X1A

7. Coordination with intelligence agencies of other governments.

8. overlaps between other agencies (eg. State - *Gen*)
